

Sell the NSV300 and reach new destinations

In the first period after it's release we will provide a special sales opportunity for our Solutions Partners. We have selected four different topics where we will give the winners a business / relax trip New York.

Terms and conditions

This promotion general terms and conditions apply only to this specific Promotion. In addition, all instructions, rules and conditions relating to this specific Promotion form part of these general Promotion terms and conditions. Panasonic reserves the right to change the terms and conditions of its Promotions at its discretion.

1. First Sold System

The first sold NSV300 system and ordered, with end user acknowledgment, with a minimum of 25 users, will be granted the win of this category. The orders recognized order in our SAP system, together with the confirmation of the end customer is proof to be checked

2. Highest Value System Sold

The system with the biggest turnover (based on RRP), including extensions, add ons etc, which are on the Panasonic Pricelist, will be granted the win of this category. In order to calculate we expect an overview of the invoice to your customer to be supplied without prices and without end customer information.

3. First Case Study Assigned

The first system, with extensions, add ons and based on which we can generate a case study will be granted the win of this category. In order to apply for the case study we need a signed consent form from the Panasonic partner and the end customer in our possession. Multiple partners can apply for this category, since the first one which is signed off by the end customer and is ready to be published in EN and/or local language is applicable.

4. Biggest System Sold

The system with the largest quantity of users (based on device connection) with hardware phones, softphones, cordless phones and/or mobile softphones will be granted the win of this category. In case of two or more systems of the same size, the highest value based on RRP is the selector.

Panasonic recognizes the importance of the privacy of the end user. All information that you provide to us will be retained and disclosed only in accordance with the EU General Data Protection Regulation (GDPR). Panasonic will not pass your details to any third party or company, except those that we use to perform statistical analysis, manage communications or act on our behalf. Panasonic reserves the right to use the information from end users just to inform the end user of new promotions / new products etc.

This promotion cannot be used in conjunction with any other Panasonic promotion.
