TOUGHMATE MOBILITY SOLUTIONS

Solution-oriented ergonomic accessories designed specifically for Toughbook.

Toughmate accessories have been helping people use their Toughbook devices more efficiently for almost 20 years. We provide Always-On cases, handles, straps, harnesses and other mobile accessories.

Toughmate accessories undergo rigorous testing and approval by Panasonic's engineering team. This allows us to give you the same high level of quality, durability and reliability as you expect from your Toughbook devices.

Our products are engineered to fit your specific Toughbook product and enhance both ease of transport and use. Most Toughmate products are fully customisable and can also be embroidered with your company logo.

Toughmate is distributed globally — exclusively through Panasonic and available wherever Toughbook products are sold.

CF-20 MOBILITY BUNDLE

CF-XZ6 PORTFOLIO

FZ-F1 / FZ-N1 SLIM HOLSTER

FZ-G1

The FZ-G1 family of Toughmate accessories provides a wide range of mobility and ergonomic options, no matter what your need is. These include handle, shoulder, leg and X-Straps. There is even a user harness option.

In addition, the Portfolio, Always-On case and KV DuraStrap bundle gives you even more ways to use your FZ-G1 device.

CF-20 / FZ-A2

CF-20 / FZ-A2 accessories are a tough, sleek, and lightweight complement to your Toughbook CF-20 or FZ-A2. The choices are numerous. The FZ-A2 Always-On case provides screen protection and easel functionality with all the time protection and portability. The CF-20 Mobility Bundle enables efficient, convenient portability.

Most accessories also accommodate the optional user harness which brings further flexibility, in the form of wearable, hands-free functionality.

FZ-F1 / FZ-N1

The FZ-F1 / FZ-N1 family of Toughmate accessories provide many features for helping the user keep their device close, accessible, and protected. Our ergonomic, durable hand straps have you covered.

Our Holster and Slim Holster allow for secure and protected portability. With choices that include a belt, an adjustable belt loop for use with your own belt, and an optional shoulder strap, our products work with any budget.

FZ-B2 / FZ-M1

The FZ-B2 / FZ-M1 Toughmate Always-On case is designed with screen protection and easel functionality for easy typing and presenting. Comes standard with hand and shoulder straps. The case accommodates most configurations, including the optional user harness.

Our holster works with the OEM hand strap and most other configurations. It comes complete with a shoulder strap and belt, so the user can choose what works best for them.
