## **GAMBER-JOHNSON** RUGGED MOUNTING PRODUCTS

Dedicated vehicle mounting solutions for TOUGHBOOK devices.

From humble beginnings as a local wooden furniture manufacturer in Stevens Point, Wisconsin, Gamber-Johnson has developed into the global go-to partner for equipment mounting products.

This evolution from producing furniture in 1954 to becoming a 21st-century world leader in mounting equipment for electronics was fostered by a company culture of innovation and continuous improvement. As it expanded, Gamber-Johnson began producing fleet vehicle mounts for radios and computers, then providing solutions for material handling and point-of-sale, including mounts for security cameras and more.

Today, Gamber-Johnson manufactures mounting components and systems for laptop and tablet computers, radios, light and siren controls, surveillance cameras, point-of-use kiosks, printers, keyboards and other devices, and is a trusted name in the industry and a go-to partner for major rugged computer OEMs.

Gamber-Johnson's dedication to producing products that are rugged, reliable, and responsive is unparalleled. The Gamber-Johnson name has become synonymous with high quality, rugged products that can withstand even the most extreme situations, a perfect partner for TOUGHBOOK.

**PROSERVICES**

### TOUGHBOOK 33 VEHICLE DOCKS

Gamber-Johnson's laptop docking station for the TOUGHBOOK 33 can be positioned in laptop or tablet orientation. This docking station features full port replication and a lock that will secure both the TOUGHBOOK 33 and mating keyboard. The tablet version comes with full or Lite port replication to support a wide range of peripherals, and easy-to-use latch for one-handed docking/release.

### TOUGHBOOK 20 VEHICLE DOCK

Gamber-Johnson's laptop docking station for the TOUGHBOOK 20 provides a full array of port replication but the small footprint conserves cabin space. Can be positioned in laptop or tablet orientation.

### TOUGHBOOK G1 VEHICLE DOCK

Gamber-Johnson's tablet docking station for the TOUGHBOOK G1 is perfect for the mobile worker that spends time outdoors. The docking station optimizes connectivity to the office and enables the worker to easily take the tablet out of the mobile office for on-site work.

### TOUGHBOOK N1 VEHICLE DOCK

Gamber-Johnson's tablet docking station is the perfect complement for the TOUGHBOOK N1. This docking station accommodates the TOUGHBOOK N1 with extended battery and hand strap, with an ergonomic one-handed dock and release mechanism.
