Caution:

- When the filter is attached, be sure to switch the filter type on the projector's onscreen menu.
- The filter can be used for approximately 24 hours in smoky, foggy or hazy environments. Note that the filter cannot be reused. After use, replace it with an unused filter.
- The filter cannot be used at altitudes of 1,400 meters (4,593 feet) or more above sea level or when the ambient temperature is 35 °C (95 °F) or higher.
